DIRECTORS' REPORT

Dear Shareholders,

We are pleased to present un-audited financial statements of the Company for the nine months period ended and 3rd quarter ended March 31, 2024.

During the period under review, the Company earned profit after tax of Rs. 77.416 million as compared to loss after tax of Rs. 76.557 million of the corresponding period of previous year. Total sales were made amounting to Rs. 5288.515 million as compared to corresponding period of previous year sales of Rs. 4322.181 million showing increase of Rs. 966.334 million i.e 23.00% against previous year period. Earning per share is Rs. 4.66 as compared to Rs. (4.61) per share.

The financial results of the company are much better than the corresponding period of previous year. However, performance of textile sector overall remained depressed as the prices of raw material remained on higher side, increase in energy cost, very higher mark-up rates and other input costs. Due to increase in Gas Tariff of local gas by 150% during the period for export oriented industries production cost has significantly increased that has severe impact on competitiveness of textile sector in the international market.

However, during the second and third quarter of period under review the exchange rate of Pak Rupee remained almost stable and if this trend continues, cost of imported raw material and other inputs can be better predicted that may lead to better decision making regarding selling prices and cost control.

We further expect that the newly elected Government will take well planned concrete steps to uplift the economy including subsidies gas and electricity rates and the lower markup rates for export oriented industry specially for textile sector keeping in view to make them competitive in international market that will be helpful to uplift the textile sector overall.

Despite, several adverse factors and challenges your management is making best efforts to improve the financial results of the company.

The board avails the opportunity to appreciate the devoted work done by the executives, officers, staff and workers of the company.

For and on behalf of the Board

MIAN AAMIR NASEEM (Chief Executive)
